LIFETIME WARRANTY OVERVIEW

Hartung Glass Industries warrants our residential dual seal insulating glass units against substantial obstruction of vision from dust, film or moisture formation between the sealed panes of glass under normal conditions. Glass breakage or scratches of any kind are not covered by the lifetime warranty. This lifetime warranty is offered to the original purchaser and applies only to single family residences. It may not be transferred or assigned. Proof of purchase is required. For additional details, we invite you to review Hartung-Glass.com for more information.
