# THE LIST

Company fabrication capabilities are noted with icons, according to the key below. Specific decorative product options and additional offerings are described in the “other products” section of the listing, as is the fabrication of jumbo glass. Note: Companies that supply both metal and glass products are integrated into the main Top Glass Fabricators list, rather than listed separately, as in years past. They are indicated with an “M.”

- M METAL
- T TEMPERED
- I INSULATING
- L LAMINATED
- D DECORATIVE
